Equal Consultancy Services **(Compliance Simplified, Market Access Amplified)**

About Equal Consultancy Services (Company Profile)

Established in 2014, Equal Consultancy Services (ECS) is a trusted regulatory partner and one of India's growing compliance and certification organizations. We specialize in providing end-to-end support for regulatory approvals, certifications, registrations, and market access solutions across India and international markets. Our dedicated team simplifies complex regulations, supporting startups, manufacturers, importers, exporters, and enterprises to ensure smooth compliance processes and faster turnaround times.

- **Trust:** Built on integrity, ethics, and corporate transparency.
- **Expertise:** Years of experience across multiple industries and evolving regulatory framework.
- **Commitment:** Dedicated entirely to client success, operational excellence, and satisfaction.
- **Growth:** Empowering global businesses for a highly sustainable and compliant future.

Our Core Regulatory Expertise

We provide professional guidance and authorized consultancy support across multiple segments:

- **BIS Registration (CRS):** Compulsory nationwide for notified electronic, IT, and solar power products etc.
- **BIS ISI Mark Certification:** Mandatory compliance standards for household appliances, steel, cement, and chemical products etc.
- **WPC ETA Approval:** Mandatory equipment type approval for wireless, Bluetooth, RFID, and network devices.
- **EPR Authorization (CPCB):** Extended Producer Responsibility registrations for E-Waste, Plastic, Battery, and Tyre waste compliance.
- **Legal Metrology (LMPC):** Packaged commodities compliance, registration certificate rules, and statutory nominations.
- **BEE Star Rating:** Energy efficiency verification labels and performance ratings (1 Star to 5 Star) for electrical appliances.
- **TEC Certification:** Mandatory testing standards for telecom infrastructure, IoT devices, LAN switches, and smart gateways.
- **ISO Certification:** Implementation support for corporate global standards including ISO 9001, ISO 14001, and ISO 27001.

Business Growth & Allied Services

In addition to core regulatory licensing, ECS assists businesses with foundational frameworks, including: Entity Registration (Pvt Ltd, Ltd), MSME Udyam Registration, Trademark filings, IEC Code (Import/Export), FSSAI Food Licenses, CE & ROHS Markings, HACCP compliance, Digital Marketing, and Custom Web/App Development Solutions.
