BIS CRS / Scheme-II Registration Scheme — Official Reference Guide

Official BIS Source

View the official BIS Scheme-II (Registration Scheme) page

This PDF is prepared by Equal Consultancy Services as a convenient reference. For current requirements, applicable standards, notifications, amendments and official procedures, refer to the Bureau of Indian Standards (BIS) source linked above.

What the BIS page covers

The BIS Scheme-II page lists Electronics and IT Goods covered under the Compulsory Registration Scheme (CRS), including applicable Indian Standards, product categories and related notifications/amendments. The official page currently shows entries such as laptops/notebooks/tablets, televisions, printers, scanners, wireless keyboards, power adaptors, UPS/inverters, LED products, mobile phones, CCTV equipment, smart watches, wireless headphones/earphones and other notified products.

Reference item	Information
Scheme	Scheme-II — Registration Scheme / Compulsory Registration Scheme (CRS)
Authority	Bureau of Indian Standards (BIS)
Scope	Notified Electronics & IT Goods and applicable product categories
Key references	Indian Standards (IS/IEC), product categories and Government notifications/amendments
